

2015 CIM STUDENT FUNDING OPPORTUNITIES

ICM : SOUTIEN FINANCIER AUX ÉTUDIANTS 2015

Over \$225,000 in scholarships, bursaries and awards are available through CIM, its societies and branches, as well as the CIM Foundation (CIMF). CIM empowers the next generation of industry leaders to achieve their academic goals.

Plus de 225 000\$ en bourses et en prix étudiants est offert par l'ICM, ses sections locales et sociétés ainsi que par la Fondation de l'ICM (FICM). L'ICM contribue au succès académique de la nouvelle vague de leaders de l'industrie.

SCHOLARSHIPS • BURSARIES • AWARDS TO APPLY FOR ACROSS CANADA/ BOURSES ET PRIX : CANDIDATURES REQUISES À TRAVERS LE CANADA

Caterpillar Inc. and its Canadian Dealers Scholarship	\$2,000 (1)	April 15	Open to Canadian mining engineering students in universities across Canada enrolled full-time in the 3rd year of a 4-year program or 2nd year of a 3-year eligible undergraduate program	Applicants will be judged for their commitment to a career in the mining, minerals or energy industries	Deborah Smith-Sauvé CIMF 3500 de Maisonneuve Blvd. W., Suite 1250 Westmount, QC H3Z 3C1	www.cimfoundation.ca or dsauve@cim.org	CIMF/ Caterpillar Inc. and its Canadian dealers
Scotiabank Scholarship	\$2,000 (1)	April 15	Open to Canadian mineral exploration and geology students enrolled full-time in the 3rd year of a 4-year program or 2nd year of a 3-year eligible undergraduate program	Applicants will be judged for their commitment to a career in mineral exploration and geology	Deborah Smith-Sauvé CIMF 3500 de Maisonneuve Blvd. W., Suite 1250 Westmount, QC H3Z 3C1	www.cimfoundation.ca or dsauve@cim.org	CIMF/ Scotia Bank and Scotia Capital
Taking Flight Scholarship	\$1,000 (4)	April 15 & October 15	Open to Aboriginal high school and post-secondary students (including First Nations, Metis and Inuit people) from across Canada pursuing a career in mining	Consideration and recognition given for community involvement and their commitment to the mining industry	Deborah Smith-Sauvé CIMF 3500 de Maisonneuve W., Suite 1250 Westmount, QC H3Z 3C1	www.cimfoundation.ca or dsauve@cim.org	CIMF / and an anonymous benefactor
Hydrometallurgy Undergraduate Scholarship	\$2,500 (2)	April 30	Open to full-time students at Canadian Universities beginning the final year of undergraduate study in 2015 and intending to work or carry out research in a field of science and engineering that is relevant to hydrometallurgy	CIM student membership is not required but CIM members may be given preference over non-members	Mike Dry, Arithmetek Inc. mike.dry@arithmetek.com or mdry3@cogeco.ca	www.hydrometallurgysection.org	Hydrometallurgy Section of the Metallurgy and Materials Society of CIM
Lucy Rosato Undergraduate Scholarship in Science and Engineering	\$5,000 (1)	April 30	Open to female undergraduate students beginning the 3rd or 4th year of undergraduate study in 2015, enrolled full-time in any science and/or engineering program at a Canadian University and intending to work in the field of hydrometallurgy, mining or environment		Mike Dry, Arithmetek Inc. mike.dry@arithmetek.com or mdry3@cogeco.ca	www.hydrometallurgysection.org	Hydrometallurgy Section of the Metallurgy and Materials Society of CIM

Scholarships/ Bourses	Amount/Number Montant/Nombre	Apply by/ Date limite	Eligibility/ Admissibilité	Inside info/ Important de savoir	How to apply/ Poser sa candidature	For more information/ Pour plus d'information	Sponsors/ Commanditaires
Student Poster Prize	(1) Amount may vary	August 1	<ul style="list-style-type: none"> • Technical Content – background, procedure, analysis and discussion of results, conclusions (valid and supported) • Appearance – overall layout, clarity, legibility and amount of text, quality of illustrations graphs and micrographs • Oral Presentation – organisation, clarity, timing 	Attendance at COM is required http://web.cim.org/COM2015/	http://web.cim.org/COM2015/	bfarah@cim.org	Metallurgy and Materials Society of CIM
Centennial Scholarship	\$1,998 (1)	September 30	Open to CIM National members' child(ren) as well as CIM National student members enrolled in a post-secondary institution in maintenance and engineering disciplines with the intent of pursuing a career in the mining industry	Community involvement and extracurricular activities should be highlighted	MER Society Scholarships CIM 3500 de Maisonneuve Blvd. W., Suite 1250 Westmount, QC H3Z 3C3	jacek.paraszczak@gmn.ulaval.ca	CIM Maintenance, Engineering and Reliability Society
J.D. Pat Patterson Memorial Scholarship	\$1,500 (1)	September 30	Entrance scholarship open to CIM National members' child(ren) as well as CIM National student members entering in a post-secondary institution in maintenance and engineering disciplines with the intent of pursuing a career in the mining industry	Community involvement and extracurricular activities should be highlighted	MER Society Scholarships CIM 3500 de Maisonneuve Blvd. W., Suite 1250 Westmount, QC H3Z 3C1	jacek.paraszczak@gmn.ulaval.ca	CIM Maintenance, Engineering and Reliability Society
Ken Hildebrant Memorial Scholarship	\$2,000 (1)	September 30	Entrance scholarship open to a CIM National member's child(ren) or a CIM National and National Student members entering or attending a post-secondary educational institution to study in any post-secondary university discipline	Community involvement and extracurricular activities should be highlighted	MER Society CIM 3500 de Maisonneuve Blvd. W., Suite 1250 Westmount, QC H3Z 3C1	jacek.paraszczak@gmn.ulaval.ca	CIM Maintenance, Engineering and Reliability Society
André Laplante Memorial Scholarship	\$5,000 (1)	November 1	Open to full-time students in a Canadian mineral processing or related program at the undergraduate level (college or university), having completed the first year of academic studies		See criteria on website	http://cmpsoc.ca/student-opportunities.cfm	CIM Canadian Mineral Processors Society + Industry
Byron Knelson Memorial Scholarship	\$5,000 (1)	November 1	Be enrolled in a full-time undergraduate degree program at the accredited Canadian University identified in the criteria		See criteria on the website	http://cmpsoc.ca/student-opportunities.cfm	CIM Canadian Mineral Processors Society+ Brett Knelson, Doug Corson
CMP Annual Student Technical Report Competition	\$3,000 (1) \$2,000 (1) \$1,000 (1)	October 1	College and university mineral processing students		See criteria on the website	http://cmpsoc.ca/student-opportunities.cfm	CIM Canadian Mineral Processors Society
BC/Yukon Branch - Mineral Processing Scholarship	\$2,500 (1)	November 15	Senior-level student in a minerals industry post-secondary education program in BC or YT which has mineral processing as a component		See criteria on the website	http://cmpsoc.ca/student-opportunities.cfm	CIM Canadian Mineral Processors - BC/Yukon Branch
McIntosh Engineering Scholarship - technical	\$5,000 (3) \$2,000 at 2nd year \$3,000 at 3rd year	October 15	Open to 2nd year students enrolled in a 3-year technical program with a focus on underground mining	Applicants will be judged on their commitment to a career in mining	Deborah Smith-Sauvé, CIMF 3500 de Maisonneuve Blvd. W., Suite 1250 Westmount QC H3Z 3C1	www.cimfoundation.ca or dsauve@cim.org	CIMF/McIntosh Engineering Inc.
McIntosh Engineering Scholarship - university 2nd year entry	\$12,000 (5) \$3,000 at 2nd year \$4,000 at 3rd year \$5,000 at final year	October 15	Open to 2nd year students enrolled in a 4-year degree program with a focus on underground mining	Applicants will be judged on their commitment to a career in mining	Deborah Smith-Sauvé, CIMF 3500 de Maisonneuve Blvd. W., Suite 1250 Westmount QC H3Z 3C1	www.cimfoundation.ca or dsauve@cim.org	CIMF/McIntosh Engineering Inc.
McIntosh Engineering Scholarship - university 3rd year entry	\$9,000 (1); \$4,000 at 3rd year \$5,000 at final year	October 15	Open to 3rd year students entering a 4-year degree program with a focus on underground mining	Applicants will be judged on their commitment to a career in mining	Deborah Smith-Sauvé, CIMF 3500 de Maisonneuve Blvd. W., Suite 1250 Westmount QC H3Z 3C1	www.cimfoundation.ca or dsauve@cim.org	CIMF/McIntosh Engineering Inc.
Montreal Branch of CIM Mining Engineering Scholarship	\$1,750 (1)	April 15	Open to Canadian mining engineering students in universities in Québec enrolled full-time in the 2nd year of an eligible undergraduate program	Applicants will be judged on their commitment to a career in the mining, minerals or energy industries	Deborah Smith-Sauvé, CIMF 3500 de Maisonneuve Blvd. W., Suite 1250 Westmount QC H3Z 3C1	www.cimfoundation.ca or dsauve@cim.org	CIM Montreal Branch

Scholarships/ Bourses	Amount/Number Montant/Nombre	Apply by/ Date limite	Eligibility/ Admissibilité	Inside info/ Important de savoir	How to apply/ Poser sa candidature	For more information/ Pour plus d'information	Sponsors/ Commanditaires
Montreal Branch of CIM Exploration Geology Scholarship	\$1,750 (1)	April 15	Open to Canadian mineral exploration and geology students enrolled full-time in the 2nd year of an eligible undergraduate program	Applicants will be judged for their commitment to a career in mineral exploration and geology	Deborah Smith-Sauvé, CIMF 3500 de Maisonneuve Blvd. W., Suite 1250 Westmount QC H3Z 3C1	www.cimfoundation.ca or dsauve@cim.org	CIM Montreal Branch
Cameco Mine and Mineral Processing Engineering Scholarship	\$5,000 (3) 2nd year \$5,000 (3) 3rd year	October 31	Open to 2nd year students. Applicants will be judged for academic achievement and a commitment to a career in the uranium and nuclear energy industry		Robertina Pillo, CIM 3500 de Maisonneuve Blvd. W., Suite 1250 Westmount QC H3Z 3C1	rpillo@cim.org / www.cim.org	Cameco Corporation

GEOGRAPHICAL AREA OR INSTITUTION / ZONE GÉOGRAPHIQUE OU ÉTABLISSEMENT

Maintenance Division Bursary for Engineering	\$1,300 (1)	October 15	Open to students entering the engineering program at Laurentian University with a good academic record and can demonstrate a need for financial assistance and is a resident of Northern Ontario		Applications available on Student Awards website at www.laurentian.ca	dbeauparlant@laurentian.ca	CIM Sudbury Branch
Canadian Institute of Mining and Metallurgy Bursary	\$1,150 (1)	October 5	Open to full-time students in an Engineering Program at Laurentian University		Applications available on Student Awards website at www.laurentian.ca	dbeauparlant@laurentian.ca	CIM Sudbury Branch
Ian Muirhead Memorial Scholarship	\$3,000 (1)	September 30	Open to students in their 2nd year of mining engineering at the University of Alberta		tjoseph@ualberta.ca	tjoseph@ualberta.ca	CIM Edmonton Branch & Alberta Chamber of Resources
Edmonton Branch Mining Engineering Scholarships	\$2,000 (2)	December 10	Open to 3rd or 4th year mining engineering students at the University of Alberta	Preference given to 3rd year students. The recipient gets to showcase themselves by making a presentation to the branch membership at Student Night	victor.liu@ualberta.ca	victor.liu@ualberta.ca	CIM Edmonton Branch
Edmonton Branch Resource Industry Scholarship	\$1,000 (1)	January 18	Open to students pursuing resource-related careers at NAIT or the University of Alberta		victor.liu@ualberta.ca	victor.liu@ualberta.ca	CIM Edmonton Branch
Canadian Institute of Mining (Kamloops Branch) Bursary	\$750 (1)	September 17	Open to students enrolled in either the welding, electrical or heavy duty mechanical trade foundation program at Thompson Rivers University		www.tru.ca/finaid	www.tru.ca/finaid	CIM South Central BC Branch
CIM Montreal Women's Association Scholarships	\$1,000 (2)	October 23	Open to female students from McGill University and École Polytechnique de Montréal in the first semester of their 3rd or 4th year in mining, geology or materials engineering		mainul.hasan@mcgill.ca	richard.simon@polymtl.ca Women's Association	CIM Montreal
Bursary Fund	\$800 (1) or \$400 (2)		Ouverte aux étudiants Collège Boréal qui éprouvent des difficultés financières au cours de l'année collégiale		La Fondation du Collège Boréal	Nancy.Raymond@ collegeboreal.ca	CIM Sudbury Branch
Jim Harling Memorial Bursary	\$1,200 (1)	November 25	Open to full-time Cambrian College students enrolled in a mining or geology program		The Cambrian Foundation	angela.gilmore@ cambriancollege.ca smitnicolas@hotmail.com	CIM Sudbury Branch
Canadian Institute of Mining and Metallurgy Bursary (Sudbury Branch)	\$410 (1)	November 25	Open to full-time Cambrian College students enrolled in a mining or geology program		The Cambrian Foundation	angela.gilmore@ cambriancollege.ca smitnicolas@hotmail.com	CIM Sudbury Branch
Bourses d'études collégiales à l'intention des étudiants en technologie minérale ICM-TM	1 000 \$ (3)	21 janvier	Ouverte aux étudiants dans leur 2e ou 3e année d'études en technologie minérale au Collège de Thetford Mines		jmarois2@cegepth.qc.ca	jmarois2@cegepth.qc.ca	Section Thetford Mines de l'ICM
Bourse d'études universitaires à l'intention des étudiants en géologie, génie	\$1,500 (1)	14 janvier	Ouverte aux étudiants inscrits au baccalauréat en géologie, génie géologique, génie minier, génie métallurgique ou des matériaux		jmarois2@cegepth.qc.ca	jmarois2@cegepth.qc.ca	Section Thetford Mines de l'ICM

Scholarships/ Bourses	Amount/Number Montant/Nombre	Apply by/ Date limite	Eligibility/ Admissibilité	Inside info/ Important de savoir	How to apply/ Poser sa candidature	For more information/ Pour plus d'information	Sponsors/ Commanditaires
géologique, génie minier et génie métallurgique ICM-TM							
Canadian Institute of Mining (Kamloops Branch) Bursary	\$750 (9)	August 31	Open to the child(ren) of CIM South Central BC Branch members		rallen@smsequip.com	rallen@smsequip.com	CIM South Central BC Branch
Rory Kempster Memorial Earth Science Scholarship	\$2,000 (1)	March 17	Open to students entering 2nd or subsequent years of study leading to a first degree in Earth Science discipline; born in New Brunswick or residing in New Brunswick for over five (5) years; attending a degree-granting Canadian university or institute of technology	Consideration given for academics, extracurricular and financial need. http://www.cim.org/en/Societies-and-Branched-Branches/New-Brunswick/Rory-Kempster-Memorial-Earth-Science-Scholarship-application.aspx	mcoleman@nbpower.com	mcoleman@nbpower.com	CIM New Brunswick Branch
Canadian Institute of Mining, Metallurgy and Petroleum Entrance Scholarship (Newfoundland Branch)	\$1,000 (1)	January 23	Open to students of the College of North Atlantic - Labrador West Campus . Awarded to a student in the 1st year of the Mining Technician Program with the highest academic average from the 1st semester	No application required	No application required	michelle.legge-owen@cna.nl.ca	CIM Newfoundland Branch
The Canadian Institute of Mining, Metallurgy and Petroleum (Newfoundland Branch) Silver Jubilee Scholarship	\$1,500 (1)		This \$1,500.00 annual award is available to students in the final or penultimate year in Earth Sciences at Memorial University of Newfoundland . Scholastic achievement is the principal requirement governing the award but economic need and character may be taken into account. The scholarship will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards acting on the recommendation of the Head of the Department of Earth Sciences	No application required; recipient must have declared a major in Earth Sciences	No application required	scholarships@mun.ca or jcasey@mun.ca	CIM Newfoundland Branch
The Canadian Institute of Mining, Metallurgy and Petroleum (Newfoundland Branch) Golden Jubilee Scholarship	\$2,425.00 (for 2014/2015) (1)		This scholarship valued at a portion of the income on the investment, will be awarded to a student entering the final year of undergraduate studies at Memorial University of Newfoundland . Based on scholarship standing, the scholarship will be available to a student majoring in a field of study that is covered by the fields of interest of the Canadian Institute of Mining, Metallurgy and Petroleum specifically; Earth Sciences, Geophysics, Geography, Economics, Environmental Science, Engineering, Business and Commerce. Financial need may be taken into consideration. The scholarship will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards	No application required	No application required	scholarships@mun.ca or jcasey@mun.ca	CIM Newfoundland Branch
Canadian Institute of Mining, Metallurgy and Petroleum Entrance Scholarships	\$1,000 (3)	January 23	Awarded to a full-time student registered in the construction/industrial electrician, industrial mechanic (millwright) or welder programs. One scholarship will go to a student at a Labrador campus, part of the College of the North Atlantic . This award is based on academic excellence	An application form and a College Transcript or Student Progress Report is required	Application forms are available at Student Services and college website www.cna.nl.ca/awards	Sandra.Lewis@cna.nl.ca	CIM Newfoundland Branch
Cobalt Branch CIM Instrumentation Entrance Scholarship	\$200 (1)	January 15	Open to Northern College Haileybury School of Mines instrumentation technician students in 1st year; with reasonable academic standing and preferably from the Temiskaming Shores area		hillierd@northern.on.ca	hillierd@northern.on.ca	CIM Cobalt Branch
Cobalt Branch CIM Mining Entrance Scholarship	\$200 (1)	January 15	Open to Northern College Haileybury School of Mines mining technician students in 1st year; with reasonable academic standing and preferably from the Temiskaming Shores area		hillierd@northern.on.ca	hillierd@northern.on.ca	CIM Cobalt Branch

Scholarships/ Bourses	Amount/Number Montant/Nombre	Apply by/ Date limite	Eligibility/ Admissibilité	Inside info/ Important de savoir	How to apply/ Poser sa candidature	For more information/ Pour plus d'information	Sponsors/ Commanditaires
CIM Saskatoon Branch Dependent Children and Student Member Scholarship Program	\$ 31,000 (annual total) Amount per person TBD	February 6	Open to student members and dependent children of professional members of the CIM Saskatoon Branch enrolled in a 2-year (+) program leading to formal qualification from a recognized post-secondary educational institute (graduates not eligible)	Student members must have attended at least 2 CIM Saskatoon Branch dinners during the 2013-2014 term and prior to application deadline to qualify	donna.beneteau@usask.ca	donna.beneteau@usask.ca	CIM Saskatoon Branch
Toronto Branch Canadian Mineral Processors Mineral Processing Scholarship	\$3,000 (1)	December 5	Any full-time student from Ontario entering into a post-secondary program that includes mineral processing at one of the schools noted below. <i>Eligible Institutions:</i> Haileybury School of Mines, Northern College; Queen's University; Laurentian University; University of Toronto; Cambrian College; Lakehead University	Applicant should be interested in role and express knowledge of the of the mineral processor in today's society The number of scholarships may be increased subject to the selection committee review	See criteria on the website	http://cmpsoc.ca/student-opportunities.cfm	CIM Canadian Mineral Processors Society Toronto Branch
Rudolph Kneer Memorial Bursary	\$800 (3)		Open to full-time students entering the 3rd year of the engineering program at Laurentian University in good academic standing, a resident of Ontario and demonstrated leadership		Applications available on Student Awards website at www.laurentian.ca	dbeauparlant@laurentian.ca	CIM Sudbury Branch
Donald W. MacFadgen Memorial Scholarship	\$500 (1)	September 30	Eligible students are registered in the junior (4th) year of the Faculty of Engineering at Dalhousie University		Dean of Undergraduate Studies, Dalhousie University	engineering@dal.ca	The Mining Society of Nova Scotia of CIM
Bourse Irene et Arthur Foley	\$3,000 (2)	November 30	Ouverte aux étudiants de premier cycle en génie des mines à l' École Polytechnique de Montréal qui ont complété 3 semestres et 1 stage	Les candidats seront jugés sur leur dossier académique et sur l'évaluation de leur stage	Professeur Michel Aubertin, ing., Ph.D. École Polytechnique, CP 6079 Sccl Centre-Ville, Montréal, Qc H3C 3A7	www.cimfoundation.ca or dsauve@cim.org	CIMF
John Kovala Memorial Scholarship	\$1,000 (1)	May 31	Open to students from the Red Lake area pursuing post-secondary study at a college or university in mining (not limited to first year post-secondary study)	Involvement in extracurricular activities and community service will be considered	melissa.burke@goldcorp.com	melissa.burke@goldcorp.com	CIM Red Lake Branch
Red Lake Scholarship + Free membership to CIM Red Lake Branch	\$1,000 (1)	May 31	Open to students attending mining, mechanical or environmental programs at the college or university level. Graduates of grade 12 or mature students are welcome to apply. Please include involvement in extracurricular activities and community service as well as your goals and aspirations after completing your program	Students must be from the Red Lake area; preference will be given to students with a relationship to a current or former member of our CIM branch	melissa.burke@goldcorp.com	melissa.burke@goldcorp.com	CIM Red Lake Branch
Canadian Institute of Mining (Kamloops Branch) Bursary	\$750 (1)	September 17	Open to students enrolled in the Bachelor of Natural Resource Science program at Thompson Rivers University		www.tru.ca/finaid	www.tru.ca/finaid	CIM South Central BC Branch
CIM Scholarship for RDPC High School students	\$600 (1)	April 30	Open to R.D. Parker Collegiate High School students enrolled in a post-secondary course that can be applied to the mining field		Available at high schools	Thompson Communities Foundation	CIM Thompson Branch
CIM Scholarship (Crowsnest)	\$3,000 (1)	May 1	Open to students from Crowsnest Pass, Elkford, Sparwood or Fernie entering a mining-related field of engineering or earth sciences at the university level (1st year). Student receives \$1,000 in the 1st year and \$2,000 in the 2nd year for a total of \$3,000		Apply to school	gail.rousseau@sd5.bc.ca	CIM Crowsnest Branch
CIM Trades Scholarship	\$1,000 (1)	May 1	Open to students from Crowsnest Pass, Elkford, Sparwood or Fernie entering a mining-related trade at a recognised trade training school		Apply to school	gail.rousseau@sd5.bc.ca	CIM Crowsnest Branch

MetSoc Masters Student Scholarship	\$3,000 (1)	March 1	Full-time masters students in their first year of study who are pursuing degrees in metallurgy, materials engineering or related fields. Nominees must have been MetSoc-CIM members for a period of at least six months at the time of nomination. The student is expected to retain his or her status as a graduate student through to September of the year for which the award is being given	Be a MetSoc member for at least 6 months at nomination	Brigitte Farah The Metallurgy and Materials Society of CIM 3500 de Maisonneuve Blvd. West, Suite 1250 Montreal, QC, Canada H3Z 3C1	bfarah@cim.org	Metallurgy and Materials Society of CIM
MetSoc Doctoral Student Scholarship	\$4,000 (1)	March 1	Full-time doctoral candidates in their second, third or fourth year of study who are pursuing degrees in metallurgy, materials engineering or related fields. Nominees must have been MetSoc-CIM members for a period of at least 6 months at the time of nomination	Be a MetSoc member for at least 6 months at nomination	Brigitte Farah The Metallurgy and Materials Society of CIM 3500 de Maisonneuve Blvd. West, Suite 1250 Montreal, QC, Canada H3Z 3C1	bfarah@cim.org	Metallurgy and Materials Society of CIM
Gordon M. Ritcey Award	\$3,000 (1)	April 30	Candidates should be registered in a graduate program in the field of hydrometallurgy at a Canadian University for the 2014/2015 academic year		Mike Dry Arithmetek Inc. 1331 Hetherington Drive Peterborough, ON K9L 1X4	www.hydrometallurgysection.org	Hydrometallurgy Section of the Metallurgy and Materials Society of CIM
The CIM MER Graduate Student Research Excellence Award	\$2,000 (1)	Applications can be received at all times	Open to graduate students currently enrolled at a University, or those who have obtained their postgraduate qualification no more than six months prior to submission	www.cim.org/en/Societies-and-Branched/Societies/Maintenance-Engineering-and-Reliability-Society/Awards-and-Scholarships.aspx	MER Society Scholarships CIM 3500 de Maisonneuve Blvd. W., Suite 1250 Westmount, QC H3Z 3C1	jacek.paraszczak@gmn.ulaval.ca	CIM Maintenance, Engineering and Reliability Society
Grad Studies Award	\$2,000 (3)		Contest open to all earth science and mineral engineering related graduate or technical college students in the Greater Vancouver area	gcarlson@srk.com	gcarlson@srk.com		CIM Vancouver Branch
Harold E. Lake Memorial Award	\$100 (3)		Annual book award given to graduating students from University of Alberta or NAIT , based on professor/instructor recommendations, who are involved in student/community life and mining-related activities and who have not received any other awards	rasimarz@ualberta.ca	rasimarz@ualberta.ca	NAIT and University of Alberta	CIM Edmonton Branch
Bernie Schnieders Memorial Award	\$6434 (1)		Open to full-time students enrolled in MSc Geology at Lakehead University who demonstrate a keen interest in economic geology and mineral fieldwork	programs applicable to: geology funding level: masters	No applicaiton required. The Department of Geology will forward their recommendation to the Faculty of Graduate Studies	www.lakeheadu.ca/academics/graduate/graduate-funding/funding-records/node/11253	Administered by Lakehead University; CIM Thunder Bay Branch contributes \$1000 annually
Centennial Scholarship Medal CIM	Medal		Open to undergraduate and graduate mineral engineering students attending university in Nova Scotia		Information available at university	Information available at university	The Mining Society of Nova Scotia
Wolfgang Stoeterau Memorial Scholarship	\$1250		Awarded to top graduate student (M.Sc. or PhD candidate) in the Department of Geological Sciences at the University of Saskatchewan	As selected by the faculty and department head in the geological sciences department at the U of S	Cory Kos (CIM Geosection) cory_kos@cameco.com Kevin Ansdell (U of S) kevin.ansdell@usask.ca	University of Saskatchewan	CIM Saskatoon GeoSection
